### **\$7000 in LAEF Scholarships Already Granted in 2014**

(Los Alamitos, CA) LAEF is moving closer to accomplishing the goal of enhancing the education of every student in Los Al Unified! Through the support of organizations like the Miller Foundation and Run Seal Beach, as well as ongoing partnerships with BNSF Railway and the Rossmoor Homeowners Association, LAEF is able to award student scholarships for program tuition fees. Families on the Free and Reduced Lunch program automatically qualify for 75% scholarships, which are awarded on a first come, first served basis. In just three years, LAEF scholarship awards have grown from nearly \$3000 in 2012, to \$5500 in 2013, to \$7000 granted so far in 2014. During the recent Summer Enrichment Institute, 36 scholarships were awarded totaling \$5600.

The Los Alamitos Education Foundation (LAEF) is currently preparing an exciting schedule of after-school classes for the upcoming 2014-2015 school year. Scholarship funds are still available and more students will continue to have access to unique, valuable educational opportunities.
