Mac-Fusion Supports LAEF's King and Queen Campaign

(Seal Beach, CA) – Mac-Fusion on Main Street in Seal Beach has generously sponsored LAEF's King and Queen of Hearts Campaign at the Duke/Duchess level of \$2000. The Los Alamitos Education Foundation (LAEF) is extremely grateful to Marilyn Halpin, Mac-Fusion owner and LAHS/McGaugh parent, for supporting education in our community, especially as the proceeds from the campaign will support STEAM Fairs on all campuses and a district-wide STEAM Showcase at the end of the school year. STEAM stands for science, technology, engineering, the arts, and math.

Mac-Fusion has been in business for 15 years with the last three years of operation at 304 Main Street, Seal Beach. Mac-Fusion is a certified "Apple Specialist" and can help you with your Apple devices in their store, in your home and in your office. Marilyn has made a concerted effort to educate the community on the power of their devices to take away the mystery of technology. Marilyn says, "The more you know about your device, the more you will love it. We want you to love it!" Four free classes are offered each week with curriculum targeting all levels of expertise. One on one lessons are also available in-store for only \$19 and you receive 25 minutes of individualized instruction.

Marilyn, her husband Kevin, and their two sons live in Seal Beach. Halpin has made a conscious effort to get more involved with education in our community by not only contributing to fundraisers, but also by joining the district's Bullying Task Force, which works to prevent bullying in all Los Alamitos USD schools.
