<u>NovaWurks Supports LAEF's King and Queen Campaign</u>

(Los Alamitos, CA) – NovaWurks on Noel Street in Los Alamitos has generously sponsored LAEF's King and Queen of Hearts Campaign at the Duke/Duchess level of $2000. The Los Alamitos Education Foundation (LAEF) is extremely grateful for NovaWurks' support of educational excellence in our community.

NovaWurks™ Inc., a provider of high technology space products and services, is proud to sponsor and partner with the Los Alamitos Education Foundation (LAEF) in delivering STEAM Fairs (Science, Technology, Engineering, the Arts, Math) on all campuses throughout the Los Alamitos Unified School District. NovaWurks' 2015 LAEF involvement will culminate in a special presentation at the district-wide STEAM showcase at the end of the school year.

As a Los Alamitos-based business, NovaWurks is giving back to the local community through hands-on experiences using leading-edge technology to inspire children to seek careers in science, technology, engineering, arts and math. Talbot Jaeger, Founder and Chief Technologist, along with several other members of his management team, are long-time residents and alumni of the Los Alamitos Unified School District and consider it a privilege to give back to the community that has helped them realize their dreams.

Jaeger has more than 30 years of aerospace industry under his belt and has been involved with many projects that culminated with spaceflight operations. He is an industry pioneer and community member that believes in fostering interest in STEAM. For more information on NovaWurks, visit www.novawurks.com. For additional information on LAEF, please call (562) 277-6876 or visit www.LAEF4Kids.org. To learn more about the King and Queen of Hearts campaign, visit www.LAEF4Kids.org/kingandqueen.
