LAEF is WASC Accredited!

(Los Alamitos, CA) – The Los Alamitos Education Foundation is now accredited by the Western Association of Schools and Colleges (WASC) as a Supplementary Education Program/Center. The term was granted on February 2, 2015 and lasts through June 30, 2021. This accreditation affirms LAEF’s commitment to providing a higher standard of education to students in our community. LAEF may now issue transcripts and credits that are recognized by colleges and universities. The accreditation was granted following the submission of an in-depth self-study report written by LAEF stakeholders and a visit by WASC representatives in July of 2014. The visit included class visits, review of curriculum and meetings with teachers, parents and administration.

LAEF Executive Director Carrie Logue says, “I am deeply proud of our organization and this incredible honor that has been earned! LAEF programs have always been top-notch, but it is fantastic that outside experts agree after seeing our programs for themselves.”

In three years, LAEF will submit a progress report to WASC to provide updates and information on programmatic changes. To keep the accreditation in place, during the summer of 2020, LAEF will conduct a self-study and welcome another visit from the WASC committee.

LAEF is proud to offer these credit-based and enrichment opportunities as the non-profit partner of Los Alamitos Unified School District. Registration for LAEF's summer programs will open March 20! For more information, visit www.LAEF4kids.org or call (562) 277-6876 today!
