LAEF Presents 6th Summer Enrichment Institute and New Summer Camp!

(Los Alamitos, CA) – What are the options for your child this summer? Enrichment! Academics! Fun! The fully accredited Los Alamitos Education Foundation presents the 6th annual Summer Enrichment Institute (SEI), which offers valuable classes to students in grades K-12 in two summer sessions (June 29-July 10 and July 13-24). Small class sizes of 17 maximum students, taught by credentialed teachers in 2-hour morning blocks, provide an ideal learning environment and help your student avoid the summer learning loss. Elementary classes (at Hopkinson Elementary) include Jumpstart for K-5th grade, Spanish, computer literacy/coding, Fun with Food, science, musical theater, sewing, art, and more. For middle and high school students (at McAuliffe Middle School and LAHS), courses cover drivers education, math, language arts, technology, public speaking, photography, drawing and painting, and more!

LAEF is introducing a new Summer Camp option for students entering grades K-8. Held at Hopkinson Elementary, children will increase their physical fitness and enjoy activities all summer long! The camp is offered in afternoons during SEI and all day from July 27 to August 14. In addition, LAEF once again offers for-credit high school classes in online health and government, and on-campus for ceramics and health. Classes run from June 17 to July 21.

Registration is now open at www.LAEF4kids.org/programs and catalogs with all the details are available at www.LAEF4kids.org/summer. Scholarships are available on a limited basis. Early bird reduced registration is available through Tuesday, May 26th! For more information, visit www.LAEF4kids.org or call (562) 277-6876 today!
