LAEF's Summer Enrichment Institute Early Bird Registration Closing!

(Los Alamitos, CA) Early bird reduced registration rates are available through Tuesday, May 26 for the Los Alamitos Education Foundation's Summer Enrichment Institute (SEI). Register online now at www.LAEF4kids.org/programs and save \$15 off the regular registration price! Regular registration runs from May 27 through June 23. Onsite in-person registration is available on the first day, which is June 29.

LAEF's Summer Enrichment Institute offers valuable classes to students in grades K-12 in two summer sessions (June 29-July 10 and July 13-24). Small class sizes (max 17 students), taught by credentialed or highly qualified teachers in 2-hour blocks, provide the ideal learning environment for your student to avoid summer learning loss. Elementary classes (at Hopkinson Elementary) include Jumpstart for K-5th grades, Spanish, computer literacy, science, language arts, musical theater, design sewing, art, and cooking. For middle and high school students (at McAuliffe Middle School and LAHS), courses cover driver's education, math, digital literacy, photography, drawing and painting, public speaking, career exploration and robotics!

LAEF is introducing a new Summer Camp option for students entering grades K-8. Held at Hopkinson Elementary, children will increase their physical fitness and enjoy activities all summer long! The camp is offered in afternoons during SEI and all day from July 27 to August

14. In addition, LAEF once again offers for-credit high school classes in online health and government, and on-campus for ceramics and health. Classes run from June 17 to July 21.

Catalogs with all the details are available at www.LAEF4kids.org/summer. Scholarships are available on a limited basis. For more information, visit www.LAEF4kids.org or call (562) 277-6876 today!
