LAEF Presents the Young Americans Performing Arts Workshop

(Los Alamitos, CA) – On January 8-10, the Los Alamitos Education Foundation (LAEF) is very excited to welcome The Young Americans to the Los Alamitos, Rossmoor and Seal Beach community! The Young Americans are focused on providing music education and performance opportunities to young people. They promote the importance of music and performing arts by bringing workshops to 3rd through 12th grade students around the world, and LAEF is thrilled to host them in our community. This 3-day workshop will train young people in performance, share insight and understanding of different cultures, strengthen character and develop self-esteem, self-worth and self-discipline. A final performance will take place on Sunday evening at Los Alamitos High School, so family and friends will see all that students have learned and will enjoy an amazing show! No prior experience is necessary! Visit LAEF4Kids.org/Young-Americans for all the details.

LAEF is the non-profit partner of Los Alamitos Unified School District. LAEF enhances educational excellence in our community and provides after-school and summer enrichment

programs. For additional information on LAEF, please call (562) 277-6876 or visit www.LAEF4kids.org.
