

## OAK STEAM FAIR

Thursday, February 25, 2016

For the second year, we are opening up a chance for all Oak Students to participate in a STEAM Fair, with everyone given the opportunity to display their entries at the District-wide STEAM Fair at LAHS on May 21. Students may sign up through LAEF to attend a free STEAM fair club with Ms. Martin to get help on a project!

### **Rules:**

- 1.** All entries must be able to be displayed on table top space of 24" x 24" (60 cm x 60 cm). Standard "STEAM fair" display folding cardboard display units are encouraged for convenience but not required.
- 2.** Each entry should have a lab write-up attached
  - Science projects should follow the steps of the scientific method (see lab write-up template)
  - Engineering projects should follow the steps of the engineering design process
- 3.** Photos, diagrams, graphs and physical presentations of the experiment are encouraged
- 4.** Students should prepare a two-minute presentation for the STEAM Fair and STEAM Showcase!
- 5.** Students may work alone, in pairs, or in a group of 3
- 6.** Try to incorporate as many of the STEAM objectives as possible into your project! FULL STEAM AHEAD!
