Boeing Supports the Children of Los Alamitos Unified!

(Seal Beach, CA) – The Boeing Company’s employees at the Seal Beach facility gave generously to make sure that all children in Los Alamitos Unified School District will have the backpacks and school supplies they need during the 2016-17 school year. The drive for donations and supplies was held from July 27 through August 31 and was titled, “The Right Tools Make All the Difference.”

On Friday, September 2nd, Melissa Miller (Los Alamitos Unified Director of Safety and Student Services) and Carrie Logue (Executive Director of LAEF - Los Alamitos Education Foundation) received over 40 backpacks and packages of school supplies from the employees of Boeing in Seal Beach. In addition, employees donated \$250 for more supplies for families in need. Boeing offers an employee gift match, so that amount will grow to \$500 thanks to their generosity. “LAEF is very grateful for this generous support and Boeing’s commitment to meet the educational needs of all families within our community,” said Logue.

LAEF is the non-profit partner of Los Alamitos Unified School District. LAEF enhances educational excellence by providing after-school and summer enrichment programs to children in grades Pre-K to 12. LAEF impacts all students by providing significant funding for STEAM teachers and instruction, as well as igniting new programs and providing valuable resources. For more information, visit www.LAEF4kids.org or call (562) 799-4700 Extension 80424 today!
