LEGO® Robotics

Swing like a monkey, fly like a bird, or hop like a frog into LEGO Robotics. LEGO Robotics will ignite the creativity of children while they dive into the wonders of the animal kingdom through inventive playful experience building robots.

**** Add Materials Fee: \$40**

Surf Art

Students will learn and explore through traditional and untraditional methods of painting, drawing, printmaking, and sculpture to create colorful masterpieces of ocean life and surf. Using the Elements and Principles of Art, students will embark on a journey of self-expression. Students will learn artistic concepts such as color mixing, value, perspective and pattern.

Kids Yoga

In this class students, will learn and practice simple yogic postures, proper breathing habits and participate in a relaxation technique. Practicing yoga postures will develop coordination and body awareness. Beginner breathing and relaxation techniques will boast a calm mind, thus improving concentration and learning ability. If students can learn to relax and be still they will be able to channel their energy positively which will promote overall well-being.

Breakdance 101

Learn this dynamic and entertaining form of dance! Students will be introduced to the world of breakdance and learn moves like TopRock, Six-Step, Freezes, Swipes and more!

Strategic Magic

Strategic Magic promotes public speaking through the performance art of magic! Students will learn different magic tricks and will craft some of their own magic gear! Children will learn motor skills, team work, performance skills, and more! Students will present their magic tricks at the end of the session. Each child will receive a magic gift and certification of participation on the last day.

Musical Theater

This fun and energetic class consists of singing, acting, and dancing! Students will enjoy learning musical numbers, acting and improv techniques, as well as performance preparation! This class encourages self-expression and discovery through the art of theatre.

Jiu Jitsu

This class will focus on bully prevention and self-defense while helping students gain confidence in their physical abilities using Brazilian Jiu Jitsu.
