Keep Your Student Learning All Summer Long!

• **Summer Enrichment Institute:** 2 sessions available from 6/26-7/7 and 7/10-7/21! Help your student avoid summer learning loss by taking 2-hour classes in math, science, language arts, Spanish, technology, the arts and more. **SEI is predominantly known for our Jumpstart TK-5th grade classes! This is a great way for students to get a step ahead for the upcoming school year!** SEI features highly qualified teachers and small class sizes from 6-17 students. Limited scholarships available.

MULTI-CLASS DISCOUNTS are available for SEI! Receive 25% off the second class and 50% off any class thereafter. This discount applies to families and individual students!

✚ **Los Al High School Classes:** For-Credit - Online Health, Online Government, On-Campus Ceramics and On-Campus Health. Enrichment - Drivers Education, College Essay Prep and Competitive Improv.

✚ **Sports Camps:** Sports camps are offered by Los Al High School's talented head coaches in a plethora of different sports. Dates, times, genders and ages vary by camp from year to year.

✚ **Camps in the Arts:** David Moellenkamp's Xcite! Show Choir Camps, Rikki Jones' Dance Camps, Tom Plunkett's Band Camps and Justin Padilla's Instrumental Music Camps. Dates, times, genders and ages vary by camp.

Online registration ends for SEI-Session 1 on June 21st and ends for SEI-Session 2 on July 6th. Don't miss this opportunity to take advantage of excellent SEI classes and camps!

At the end of March, visit www.LAEF4Kids.org/summer to view ALL summer catalogs and flyers for all the details.

After-School Enrichment Classes!

✚ LAEF offers on-campus classes to elementary, middle and high school students, which are taught by credentialed teachers and highly qualified instructors to enhance learning beyond the school bell. There is a 10-week session in the Fall and a 14-week session in the Spring.

✚ Subjects include STEM classes (such as robotics, physics, science experiments, LEGO engineering, computer coding, 3D printing, computer aided drafting and more), art, languages (Mandarin, Spanish and American Sign Language), music, drama, musical theater, sports/fitness, dance, cooking, jiu-jitsu, karate and more.

Free Program!

✚ LAEF brings annual STEAM Fairs (science, technology, engineering, the arts and math) to each school and a district-wide STEAM Showcase. LAEF also provides STEAM teachers who conduct STEAM project development classes at each campus for no charge.
