What is a STEAM Project?

(S = Science, T = Technology, E = Engineering, A = The Arts, M = Math)

Are you curious about the world around you and how things work? Do you have an idea for an invention or a way to improve something that already exists? Do you have an interest or real-life experience that you want to use STEAM to understand more?

If so, then the STEAM Fair is for you!

See back for details on how to sign up!

Sign-up Check List:

Visit www.LAEF4Kids.org/STEAM to sign up by Friday, April 21st. All classes are free, but the registration system does require a credit card to be on file.

- Sign up for the Weaver STEAM Fair (5/24) & District STEAM Showcase (5/20)
- Sign up for the Weaver STEAM Project Guidance Classes (4/27-5/18)
- ❖ *Note: These classes are optional. Students may complete projects on their own at home and still participate in the fairs!*
- Help your child brainstorm problems that need solutions or questions they can explore.

STEAM Project Guidance Class Information:

Location: Room #30, Weaver Elementary

Time: 2:50 pm-4:20 pm

Instructors: Mrs. Terrell

Class #	Date	Topic
1	April 27	Idea Generating/Research & Planning
2	May 4	Project Workshop Time – Bring your supplies
3	May 11	Project Workshop Time – Bring your supplies
4	May 18	Presenting tips

A Note to Parents:

- ❖ The workshops are designed to support students with their projects and provide time to work, however, they will most likely need some additional time at home.
- ❖ Your child will be responsible for gathering project materials and bringing them to class.
- ❖ Student safety is of the utmost importance to LAEF! Projects should avoid student contact with chemicals, drugs, machinery, highly flammable materials, open flames, electricity and/or live animals.

Questions about the class? Contact Mrs. Amy Terrell aterrell@losal.org or Michele Leontis info@laef4kids.org

***LAEF thanks the Tesoro Foundation for their generous Robotics grant!**

LAEF is proud to partner with Earth Friendly Products Company - ECOS located in Cypress. There will be a presentation from the Director of the Product Development, Jenna Arkin at the STEAM Showcase.
