Wednesday	3-5 yrs. old	Jazz/Funk Dance	Ann Cong

This class will combine hip hop and jazz funk to give students an opportunity to learn different styles of dance. Students dance to the latest upbeat music and today's popular radio songs.

This class will leave the students with an unforgettable dance experience while learning different dance skills all while making friends and bouncing along to their favorite songs. Students will learn basic foundations of hip hop and jazz funk (fusion of ballet + jazz often set to music that tells a story), learning rhythm and musicality. Dancers will follow choreography and learn basic street dance movement. Classes will start off with basic warm up, across the floor to learn technique and a class break down of a dance combination and ends with a cool down. This class will allow students to explore rhythmical and percussive movements of hip hop and graceful technique of jazz. This is a great opportunity for students to learn about showcasing their artistry at a very young age. This class will be a ton of fun!
