## Dear Parents of the Graduating Class of 2019:

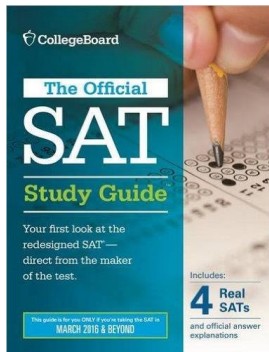

Welcome to the OFFICIAL KICK-OFF of the *College Application Season*! Over the next nine months, your child will become immersed in the world of online applications, college personal statements, university visits, tons of recruitment mail and, of course, SAT Exams.

To assist our Griffins in the college application process, we will be offering an SAT Prep Program geared specifically for Juniors planning on taking the March 10<sup>th</sup> and May 5<sup>th</sup> SAT Exam. (Typically, Juniors take their SATs for the first time in May, then SAT Subject Exams in June, and then SATs again in the Fall of their Senior Year.)

This preparatory class is designed to raise your child's score, and provide your student with the same exact strategies for which leading SAT Prep companies charge over \$1,500. The best part is... *we're only asking for a \$90 suggested donation to LAEF to cover the up-front cost of instruction, facilities and materials!*

**LAEF (The Los Alamitos Education Foundation) is a not-for-profit 501(c)3 organization that partners with our district and supports all schools across the district. A donation to LAEF goes a long way for all of our students from pre-Kindergarten to 12<sup>th</sup> grade.**

This SAT Prep program will be filled up on a first-come, first-served basis. Class meets Saturday mornings in Room 153/154 at LAHS, from 9am – Noon. All class dates can be seen below in bold type. All materials will be provided for FREE!

Jessica Hart (English Teacher, Duke Alumna, MA in English from CSULB and College Application Expert) will be teaching all sections of the course for the 4<sup>th</sup> consecutive year. If you have any questions regarding this opportunity, please feel free to contact Jessica at [JHart@losal.org](mailto:JHart@losal.org) (email is preferred) or (562) 799-4780, ext. 82700 or stop by Room 700.
