King Financial Group of Wells Fargo Sponsors the LAEF King & Queen of Hearts Campaign!

(Los Alamitos, CA) – King Financial Group of Wells Fargo Advisors is among the many generous sponsors of the Los Alamitos Education Foundation’s (LAEF) King and Queen of Hearts campaign this year. This is King Financial Group’s second year as a Duke/Duchess sponsor. This year the King Financial Group’s very own Geoffrey King, founder and Managing Director, has joined LAEF’s Royal Court as a King Candidate. In doing so, Geoffrey hopes to raise awareness and the critical funds needed for LAEF and make a lasting impact on the district where his daughters both attend school. LAEF is extremely grateful to the team at King Financial Group for their tremendous support.

Proceeds from the King & Queen of Hearts campaign supports STEAM Fairs on all campuses and a district-wide STEAM Showcase this spring on May 20th. It also supports elementary Media/STEAM teachers and innovative STEAM opportunities at our middle schools and LAHS. (STEAM = science, technology, engineering, the arts, and math)
