Penske Toyota Supports LAEF's King and Queen Campaign

(Los Alamitos, CA) – For the second year in a row, Penske Toyota of Downey has generously sponsored this year's King & Queen of Hearts Campaign at the Duke/Duchess level by providing \$2000 to the campaign. The Los Alamitos Education Foundation (LAEF) is extremely grateful to Eddie Swanenburg, President & General Manager and Los Alamitos community resident for supporting education in our community, especially as the proceeds from the campaign supports STEAM Fairs on all campuses and a district-wide STEAM Showcase at the end of the school year. STEAM stands for science, technology, engineering, the arts, and math. In addition, the campaign funds special projects such as supporting the LAHS Robotics Team and elementary school media centers.

Penske Toyota of Downey has been serving the local community of Downey for nearly two decades. The dealership is committed to providing the best customer service experience possible. They pride themselves on their first-class sales experience and a full-service vehicle maintenance and repair center as well as collision repairs. Penske also offers their customers a state-of-the-art guest lounge with free wireless internet and Service seven-days-a-week.

Penske has hundreds of new, certified and pre-owned vehicles to choose from including RAV4, Camry, Corolla, Prius, Tacoma and many more.
