Phillips Steel Supports LAEF's King and Queen Campaign!

(Los Alamitos, CA) – Phillips Steel Company of Long Beach has generously sponsored this year's King & Queen of Hearts Campaign at the Duke/Duchess level by providing \$2000. The Los Alamitos Education Foundation (LAEF) is extremely grateful to Greg and Gina Phillips, Seal Beach residents for supporting education in our community. Because of generous businesses like Phillips Steel, the students in Los Alamitos School District get the opportunity to participate in a STEAM fair at their school and a district-wide STEAM Showcase at the end of the school year. STEAM stands for science, technology, engineering, the arts, and math. In addition, the campaign funds special projects such as supporting the LAHS Robotics Team and elementary school media centers.

Phillips Steel Company is a family-owned business that started nearly 100 years ago in Southern California. Phillips Steel has grown to become a leading full-service metal supply company. Phillips Steel offers a comprehensive line of products for all of your metal-working needs including stainless steel, aluminum and galvanized materials. To find out more about the aluminum, steel and galvanized steel products offered by Phillips Steel visit their website at www.phillipssteel.com.

LAEF is the non-profit partner of Los Alamitos Unified School District. LAEF enhances educational excellence in our community by providing after-school and summer enrichment programs to Pre-K to 12th grade students. For additional information on LAEF, please call (562) 799-4700 x80424 or visit www.LAEF4kids.org. To learn more about the King and Queen of Hearts campaign, visit www.LAEF4kids.org/kingandqueen.
