<u>Wells Fargo Remains Top Sponsor in LAEF's King and Queen Campaign!</u>

(Los Alamitos, CA) – Wells Fargo generously sponsored LAEF's King and Queen of Hearts Campaign at the Archduke level of $5000 this year. This is the third year in a row Wells Fargo has sponsored this event. The Los Alamitos Education Foundation (LAEF) is extremely grateful for Wells Fargo's support of educational excellence in our community. The proceeds from the campaign supports STEAM Fairs on all campuses in the Los Alamitos School District and a district-wide STEAM Showcase at the end of the school year. STEAM stands for science, technology, engineering, the arts, and math. In addition, the campaign funds special projects such as supporting the LAHS Robotics Team and elementary school media centers.

Wells Fargo's vision is to satisfy their customers' financial needs and help them succeed financially. They are all about building lifelong relationships one customer at a time. Their five primary values are that their team members are a competitive advantage, their ethics, they do what's right for customers, they value diversity and inclusion, and they promote leadership development. They promote a culture of caring and note that their success has as much to do with attitude as aptitude. They are community based, which means they are not just a bank

that happens to be in the community, they are a community bank. This is clearly realized in Wells Fargo's support of LAEF and in the $1.1 billion they have donated to nonprofits to date!

LAEF is the non-profit partner of Los Alamitos Unified School District. LAEF enhances educational excellence in our community by providing after-school and summer enrichment programs to Pre-K to 12th grade students.
