LAEF Donates \$30,000 to LAUSD Middle & High Schools!

(Los Alamitos, CA) – The Los Alamitos Education Foundation (LAEF) was proud to donate \$30,000 to the Los Alamitos Unified School District’s two middle schools and the high school this school year. Each school received \$10,000 to help support STEAM instruction and activities on their campuses. By providing these funds LAEF continues to help extend the STEAM Initiative (science, technology, engineering, the arts and math) across the district. These funds will be used to enhance and support STEAM programs on all three campuses, which includes Science Olympiad and Robotics Teams, STEAM and Project Lead the Way classes at the middle schools and Computer Science classes at LAHS.

On August 22, LAEF Executive Director Carrie Logue presented a check to McAuliffe Middle School Principal Dr. Ryan Weiss-Wright, Oak Middle School Principal Erin Kominsky, and Los Alamitos High School Principal Dr. Gregg Stone. All three principals see this as a great opportunity to continue to develop and expand the STEAM programs for the students at their schools.

LAEF’s King & Queen of Hearts campaign directly supports the STEAM Initiative. This year’s campaign will commence on December 6th and a new King and Queen will be crowned at

the Royal Ball and Coronation on Friday, February 8, 2019. The current King and Queen are Geoffrey King of King Financial Group – Wells Fargo Advisors, Rossmoor resident and Los Alamitos High School parent, along with Wendee Close, Mortgage Specialist at CLS Financial, district alumna and district parent. LAEF looks forward to continuing to support district needs and the STEAM initiative through community participation in this campaign.

LAEF is the non-profit partner of Los Alamitos Unified School District. LAEF enhances educational excellence by providing after-school and summer enrichment programs to children in grades Pre-K to 12. LAEF impacts all students by providing significant funding for STEAM teachers and instruction, as well as igniting new programs and providing valuable resources. For more information, visit www.LAEF4kids.org or call (562) 799-4700 Extension 80424 today!
