Dear Parents of the Graduating Class of 2020:

Welcome to the OFFICIAL KICK-OFF of the *College Application Season*! Over the next nine months, your child will become immersed in the world of online applications, college personal statements, university visits, tons of recruitment mail and, of course, SAT Exams.

To assist our Griffins in the college application process, we will be offering an SAT Prep Program geared specifically for Juniors planning on taking the May 4th SAT Exam. (Typically, Juniors take their SATs for the first time in May, then SATs again in the Fall of their senior year.)

This preparatory class is designed to raise your child's score. We familiarize students with the format and content of the exam, practice test-taking strategies that maximize scores, and help students understand their strengths and weaknesses on the exam to guide additional independent practice. We provide your student with the same strategies for which leading SAT Prep companies charge over \$1,500. The best part is... we're only asking for a \$90 suggested donation to LAEF to cover the up-front cost of instruction, facilities and materials!

LAEF (The Los Alamitos Education Foundation) is a not-for-profit 501(c)3 organization that partners with our district and supports all schools across the district. A donation to LAEF goes a long way for all of our students from pre-Kindergarten to 12th grade.

This SAT Prep program will be filled up on a first-come, first-served basis. All classes will meet on Saturday mornings at LAHS in the Media Center from **8AM-11AM**. The five classes are scheduled for **March 23, March 30, April 6, April 13 and April 20**. All materials will be provided for FREE!

Teaching this course for the fifth consecutive year will be Jessica Hart (LAHS English Teacher, Duke Alum, MA in English from CSULB, and College Application Expert). Adding his word-problem expertise this year will be Brandon Hart (LAHS Social Science Teacher and SFSU Alum). If you have any questions, please contact Jessica at jhart@losal.org, stop by room 708, or call (562) 799-4780, ext. 82708.

Register for this class by Wednesday, Mar. 13. The easiest way to enroll is to **register online!** Go to www.LAEF4Kids.org/SAT and click on the registration link for SAT PREP. Choose "SAT Prep Donation 2019," create a profile, and sign up! If you prefer to register in person, go to the ASB office. Bring with you the slip below and make donation checks payable to LAEF.
