

MCAULIFFE STEAM CLUB IS BACK!

The McAuliffe STEAM Club is back for the Spring semester! This time McAuliffe will be exposing students to a variety of topics and providing support as McAuliffe students prepare to compete in the Los Alamitos Unified STEAM Fair. This club is open to all students--not just students who are participating in the STEAM Fair.

Who: All Students

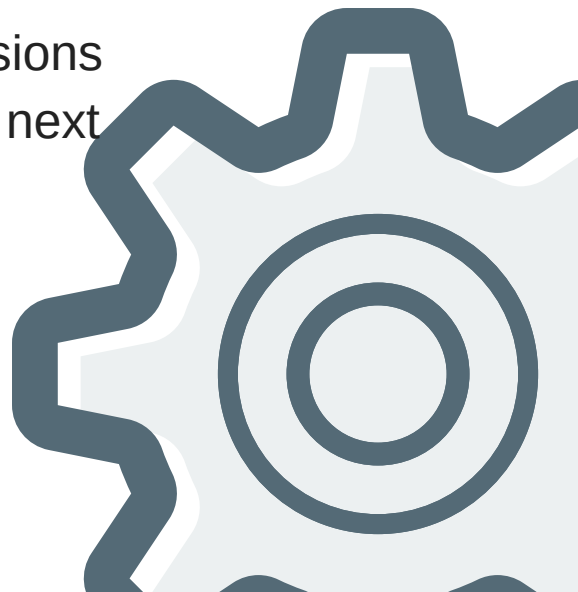

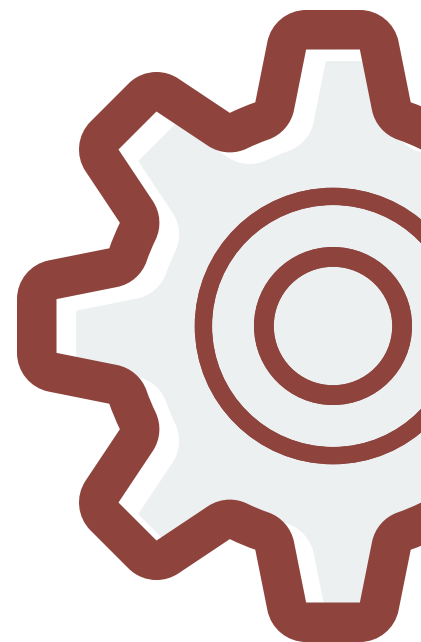

When: Mondays, 3:15-4:30. Starting January 28th

Cost: Free! Donations are helpful for materials and supplies (suggested donation is \$5/session)

Where: McAuliffe Room 29

Teachers: Mr. Danforth and Ms. Favilla

Sessions: You can register for specific sessions by clicking this link. See descriptions on the next page

STEAM FAIR INFO

- The Los Alamitos STEAM Fair is Saturday, April 6th at 9:30 at LAHS
- Participation in the STEAM Fair is coordinated through each student's Science class and Science teacher, for all STEAM Fair info, click [here](#).
- STEAM Club is designed to offer support for different student projects in two ways (1) Monday sessions centered around specific topics and (2) Thursday sessions that are open for students and student groups to work freely on their projects with support from teachers
- Mondays--sign up [here](#)
