What is a STEAM Project?

(S = Science, T = Technology, E = Engineering, A = The Arts, M = Math)

Are you curious about the world around you and how things work? Do you like to create experiments to test your ideas? Do you have an idea for an invention or a way to improve something that already exists? Create a project or conduct an experiment and share what you learned at the LAEF sponsored district-wide STEAM Fair/Showcase.

Need help with your project?

LAEF is offering an optional FREE project guidance hour for students in **TK-5th grade** in Rossmoor's STEM Lab, Rm. 16, from **1:15p- 2:15p**

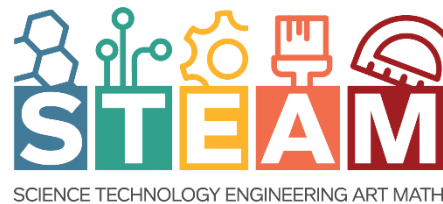

March 18th - **GRADES TK-2**

March 25th - **GRADES 3-5**

April 1st - **GRADES TK-2**

April 8th - **GRADES 3-5**

April 22nd - **ALL GRADES TK-5**

Students can use this time to get help developing an idea, work on their project, conduct research, or simply ask questions. *Additional time at home will be needed to complete their project.* **Student safety is of the utmost importance! Projects should avoid student contact with chemicals, drugs, machinery, highly flammable materials, open flames, and electricity.

Questions: Contact Mrs. Baluyot at mbaluyot@laef4kids.org or rossmoorstemlab@gmail.com

LAEF's STEAM initiative is funded by the Royal Gala
