PacificWest Joins the LAEF Royal Gala!

(Los Alamitos, CA) – PacificWest Energy Solutions, a Southern California-based company, joined the Los Alamitos Education Foundation’s (LAEF) Royal Gala for the first time this year by sponsoring the event at the Duke level of \$5,000. PacificWest has generously donated to LAEF’s State of the District event for the past 2 years and LAEF is excited to partner with them for the Royal Gala and for their support of educational excellence in our community.

PacificWest specializes in providing energy solutions that are comprehensive, simple and sustainable. Since 2006, PacificWest has been helping clients implement projects that increase energy efficiency, reduce operating costs and ensure cost predictability. For more information about PacificWest, please visit their website at <http://pacificwestinc.com/>.

Proceeds from the Royal Gala support the LAEF STEAM Initiative (science, technology, engineering, the arts and math). It provides STEAM project preparation classes, funds for supplies and STEAM fairs at all nine schools in Los Alamitos USD. It also supports the district-wide STEAM Showcase on April 25, 2020 at LAHS. In addition, LAEF helps fund elementary media centers and special projects, like supporting the LAHS Hydrogen Racing Team.

LAEF is the non-profit partner of Los Alamitos Unified School District. LAEF enhances educational excellence in our community by providing after-school and summer enrichment programs to Pre-K to 12th grade students. For additional information on LAEF, please call (562) 799-4700 x80424 or visit www.LAEF4Kids.org. To learn more about the Royal Gala, visit www.LAEF4Kids.org/royalgala.
