### **Registration is Now Open for LAEF's Summer Enrichment Institute!**

(Los Alamitos, CA) – What are the options for your child this summer? Enrichment! Academics! Fun! The fully accredited Los Alamitos Education Foundation presents the 10<sup>th</sup> annual Summer Enrichment Institute (SEI), which offers valuable classes to students in grades TK-12 in two summer sessions (June 10-June 21 and June 24-July 3).

Classes run from 8:00am to 4:40pm each day of the session. Small class sizes of 17 maximum students, taught by credentialed teachers in 2-hour blocks, provide an ideal learning environment and help your student avoid summer learning loss. Elementary classes (at Lee Elementary) include Jumpstart for K-5th grade, Spanish, French, Engineering/coding/robotics, science, STEAM, musical theater, gymnastics, volleyball, art, and more. For middle and high school students (at Oak Middle School), courses cover driver's education, preparing for the college essay, guitar, jewelry making, t-shirt design, public speaking/debate and more!

LAEF is offering multi-class discounts! Purchase your 1st class, then receive 25% off the 2nd class and 50% off any class thereafter. The discount can be applied to the family or individual student, and is applied to LAEF's Summer Enrichment Institute only (the discounts do not apply to Summer Sports Camps and Music Camps).

LAEF once again offers for-credit high school classes in online economics and American political traditions as well as three section of Health. Classes run anywhere from June 6 to July 11, depending on the class.

Registration is now open at [www.LAEF4kids.org/programs](http://www.LAEF4kids.org/programs) and catalogs with all of the details are available at [www.LAEF4kids.org/summer](http://www.LAEF4kids.org/summer). Scholarships are available on a limited basis. Early bird reduced-fee registration is available through Thursday, May 9<sup>th</sup>!

LAEF is the non-profit partner of Los Alamitos Unified School District. LAEF enhances educational excellence by providing after-school and summer enrichment programs to children in grades Pre-K to 12. LAEF impacts all students by providing significant funding for STEAM teachers and instruction, as well as igniting new programs and providing valuable resources.
