### **LAEF's Summer Enrichment Institute is Going Virtual!**

(Los Alamitos, CA) – In these unprecedented times, many summer options for kids cannot operate. Fortunately, the Los Alamitos Education Foundation (LAEF) will still provide the 11<sup>th</sup> annual Summer Enrichment Institute (SEI) virtually! Fun and academic enrichment classes will be offered online offering valuable classes to students in grades TK-8 in two summer sessions (June 8-19 and June 22-July 2).

Classes run for 75 minutes and begin at 9:00am, 10:45am and 1:00pm. Small class sizes of 8 to 30 students, taught by credentialed teachers via Google Classroom, provide a great learning environment, help students make up for lost learning time this semester and help them avoid summer learning loss. Elementary classes include Jumpstart for TK-5th grade, Spanish, rocketry, life science, writing, STEAM, voice & movement, kickboxing, gymnastics, art, and more. Teachers are developing class kits with curriculum and supplies, which will be available for pick-up before the session begins.

For middle school students, 10:00 and 1:00 classes are offered virtually and include drawing & painting, law & criminal investigations, preparing for high school science, music enrichment and public speaking/debate. LAEF is also offering two online opportunities for high school students: preparing for the college essay and health.

LAEF is offering multi-class discounts. Purchase your first class, then receive 10% off the second class and 15% off any class thereafter. The discount can be applied to the family or individual student, and is applied to LAEF's Summer Enrichment Institute only.

Registration is now open at [www.LAEF4kids.org/programs](http://www.LAEF4kids.org/programs) and flyers with all of the details are available at [www.LAEF4kids.org/summer](http://www.LAEF4kids.org/summer). Scholarships are available on a limited basis. Early bird reduced-fee registration is available through Friday, May 22.

LAEF is the non-profit partner of Los Alamitos Unified School District. LAEF enhances educational excellence by providing after-school and summer enrichment programs to children in grades Pre-K to 12. LAEF impacts all students by providing significant funding for STEAM teachers and instruction, as well as igniting new programs and providing valuable resources. For more information, visit [www.LAEF4kids.org](http://www.LAEF4kids.org) or email [info@LAEF4kids.org](mailto:info@LAEF4kids.org) today!
