LAEF Offering On-Campus Camps and Virtual Classes

(Los Alamitos, CA) – Los Alamitos Education Foundation (LAEF) is very excited to bring its fall programming to Los Al schools and online starting at the end of September! Although LAEF's After School Programs will look a little different this year, students will recognize many of the same LAEF teachers and classes they have grown to know and love over the years! Both On-Campus Camps and Virtual Classes will be available to families this Fall.

On-campus Camps will run in two 5-week sessions. Session 1 is September 28 through October 29 and Session 2 is November 9 through December 17. Camps will meet twice weekly, Monday and Wednesday or Tuesday and Thursday, for two hours and begin 10 minutes after school concludes. Camp cohorts will consist of 10-14 kids and will take place primarily outdoors. Camps include Skateboarding, Lego Engineering, Acting, Chess, Breakdance, Science, Food Exploration, a variety of sports and more! Camp offerings vary by school and all school flyers can be found at LAEF4Kids.org/AfterSchool. All in-person camps are aligned to the California Department of Public Health COVID-19 Day Camps guidelines.

Virtual enrichment class options will also be available. Virtual classes will run for 11 weeks from September 28 through December 18. Virtual classes will meet one time per week for 50 minutes at either 3pm or 4pm, with class sizes of 10-30 students. LAEF is proud to offer all of its

FREE World Language classes for 2nd, 3rd and 4th grade virtually this fall. In addition, students will have the opportunity to choose from our fee-based virtual 3D Design & Modeling, Musical Theater, Art Exploration and Game Builders classes.

“We welcome all Los Al kids to enroll in any of our classes and camps. You do not need to be on the “traditional” track to attend the on-campus camps. You do not need to be enrolled in “LosAl@Home” to attend our virtual classes. Families are invited to participate in any program that interests their child and suits the needs of their family,” says LAEF Executive Director Carrie Logue.

Registration is now open for Session 1 Camps and Virtual Classes at LAEF4Kids.org/AfterSchool. You can find school flyers, class descriptions, teacher bios, and COVID guidelines on the website. Early bird registration and pricing ends on September 21. Multi-class discounts are available for individual students or families. Fee waiver scholarships are available for families in need on a limited basis and LAEF will accept scholarship applications through September 21.

LAEF looks forward to welcoming students back on-campus and online this fall for enrichment opportunities. LAEF is the non-profit partner of Los Alamitos Unified School District. LAEF enhances educational excellence by providing after-school and summer enrichment programs to children in grades Pre-K to 12. LAEF impacts all students by providing significant funding for STEAM teachers and instruction, as well as igniting new programs and providing valuable resources.
