City National Continues as a Top Sponsor for LAEF's Fundraising Campaign!

(Los Alamitos, CA) – City National Bank returns for a 3rd year as one of the top sponsors for the Los Alamitos Education Foundation's (LAEF) Fundraising February for Los Al Kids campaign and Royal Gala at \$10,000! LAEF is thrilled to have City National Bank again sponsor at the Archduke level and excited to have their continued partnership and support of educational excellence in our community.

City National is a Los Angeles-based National Bank offering a full complement of banking, trust and investment services through 79 offices, including 19 full-service regional centers, in Southern California, the San Francisco Bay Area, Nevada, New York City, Nashville, Atlanta, Minneapolis, Washington, D.C. and Miami (as CN Bank). City National has a company philosophy in fostering healthy communities, strengthening local neighborhoods, and encouraging employment, economic and community development. Investing in the communities they serve is the way City National does business. City National has donated \$101 Million toward charitable and civic programs and is happy to support LAEF again this year and its mission in education excellence for the kids of the Los Alamitos Unified School District.

Proceeds from the campaign and the Royal Gala will help fund the construction and interior of a brand-new Wellness Center at Los Alamitos High School. As with the middle school Well Spaces, this area will provide a calm, comfortable space for students to reset and get support from counselors.

LAEF is the non-profit partner of Los Alamitos Unified School District. LAEF enhances educational excellence in our community by providing after-school and summer enrichment programs to Pre-K to 12th grade students.
