Registration is Now Open for LAEF's Summer Enrichment Institute!

Los Alamitos, CA – LAEF is bringing its 14th annual Summer Enrichment Institute (SEI) to the Rossmoor Elementary school campus this year. Fun and academic enrichment classes will be offered to students in grades TK-5 in two summer sessions (weekdays on June 20-30 and July 3-14).

Classes are one hour and fifty minutes in length and run from 8:00am to 4:40pm each day of the session. Small class sizes of 20 maximum students, taught by credentialed teachers, provide an ideal learning environment, and help students avoid summer learning loss. Elementary classes include Jumpstart for TK-5th grade, Spanish, French, Volleyball, Computer Literacy and Coding, STEM, Musical Theater, Soccer, Summer Food Exploration, Art, Leadership Academy and more. LAEF is also offering classes for high school students at Los Al High School: Driver's Education and Online Health.

LAEF is offering multi-class discounts. Purchase your first class, then receive 25% off the second class and 50% off any class thereafter. The discount can be applied to the family or individual students and is for the Summer Enrichment Institute only (the discounts do not apply to Summer Sports Camps and Camps in the Arts with LAHS Coaches and Directors).

Registration is now open at www.LAEF4Kids.org/summer/, where you will find class schedules, teacher bios, class descriptions, policies and procedures. Scholarships are available to families with financial needs. Early bird reduced-fee registration is available through Wednesday, May 31st.
