### **Empowering Learning and Growth: LAEF's Fall After-School Enrichment Program Offers Over 145 Exciting Classes!**

The Los Alamitos Education Foundation (LAEF) is excited to announce the Fall After-School Enrichment Program begins on the 11<sup>th</sup> of September (September 5<sup>th</sup> for Weaver). The program provides children across all nine Los Alamitos Unified School District (USD) sites with a diverse array of enriching educational experiences. This fall, LAEF is proud to offer an impressive selection of over 145 classes guided by credentialed and highly qualified teachers ensuring that participating students have access to outstanding opportunities for growth and learning.

LAEF is proud to continue offering free Virtual World Language classes to 1<sup>st</sup> through 5<sup>th</sup> graders across the district. Over 300 students enrolled in these free classes last Spring, ranging from Mandarin and Japanese to Spanish, French and American Sign Language. LAEF's goal is to expose children to languages they can pursue further in their secondary education. "We are grateful to our community for their unwavering support, enabling LAEF to extend the gift of language learning to even more young minds. The opportunity to expose students to these incredible languages lays the foundation for a lifetime of exploration and growth," said Mike Kahn, LAEF Programs Manager.

LAEF's After-School Fall Enrichment Program is more than just a collection of classes; it's an invitation for students to explore, discover, and flourish. With a diverse range of offerings spanning arts, sciences, athletics, and technology, ensuring that students not only have fun but also broaden their horizons.

LAEF continues to facilitate even more participation by offering tuition scholarships, thanks to the support of grant donors like Run Seal Beach and our major donor group, the Los Al Leadership Circle. For more information or to register your student for classes, please visit [www.LAEF4kids.org/afterschool](http://www.LAEF4kids.org/afterschool).

LAEF is the non-profit partner of Los Alamitos Unified School District. LAEF enhances educational excellence by providing after-school and summer enrichment programs to children in grades Pre-K to 12. LAEF impacts all students by providing significant funding for student mental health and wellness, and STEAM teachers/instruction, as well as igniting new programs and providing valuable resources. For more information, visit [www.LAEF4kids.org](http://www.LAEF4kids.org) or call (562) 799-4700 Extension 80424 today!
