### **Clean Wave Car Wash Continues to Support Los Al Kids**

(Los Alamitos, CA) – Clean Wave Express Car Wash in Los Alamitos is back for the 4<sup>th</sup> year in a row to join the Los Alamitos Education Foundation (LAEF) in their Fundraising February campaign for Los Al kids and Royal Gala. LAEF is excited to have Clean Wave sponsor at the Archduke level of \$15,000.

Clean Wave has become a staple in our community having been open for over three years now. They offer the local community a “Modern Day Express Car Washing” experience at their state-of-the-art facility in Los Alamitos. Clean Wave uses the industry’s most advanced automated computer systems and car wash equipment. Clean Wave Express Car Wash strives to provide the highest quality product and service to every customer.

Clean Wave’s ownership partners all have ties to the Los Alamitos Unified School District and LAEF and are very committed to giving back to the community. Brian Leibl, George Voigt and Will Mingram, along with their wives, all live in the community and have kids who are past and present students in the Los Alamitos School District. Brad Hooper is the former owner/operator of the Rossmoor Car Wash. Leibl served on the LAEF Board of Directors for over six years and Voigt’s wife, Leanne, currently serves on the LAEF Board and is the Fundraising February campaign chair. Additionally, the Leibl, Voigt and Mingram families are all part of LAEF’s major

donor group, the Los Al Leadership Circle, making their continued commitment even more meaningful.

“I am especially proud of the work LAEF has done to support student Wellness by bringing in extra counseling and safe Well Spaces to all Los Al USD kids. I am thrilled Clean Wave can continue to support LAEF’s current work to serve The Whole Child,” said Leanne Voigt who, along with her husband George attended LAEF’s signature event, the Royal Gala on February 2 at The Grand in Long Beach.

Proceeds from the Fundraising February campaign will help to support “The Whole Child” through LAEF’s many programs and grants across all nine district schools. This includes student wellness, STEAM, scholarships, World language classes, After-School programs, support for students with special needs and so much more!
