

MEDIA DETECTIVE

ONLY \$10!

This program is designed for 3rd -5th grade students and has proven to effectively reduce children's use of alcohol and other drugs. Your child will learn to unravel hidden messages behind alcohol and tobacco advertisements and learn techniques that advertising companies use to sell their products. Lessons include activities that are engaging and motivational.

This program is presented by the County of Orange Health Care Agency and taught by their staff. The County of Orange Health Care Agency cannot receive funds for tuition and they will not for this class. Tuition will only go toward LAEF's normal operating expenses.
