LAEF is proud to continue to support counseling interns. On July 25,
LAEF presented a check for \$73,185 to provide stipends for these seven
wonderful interns (pictured above with district and LAEF staff)!

We are so happy to continue to have this fantastic support in our Well
Spaces across all Los AI USD campuses!

Thank you to LAEF donors for making this support possible!

LAEF is expanding school/classroom grant funding from STEAM to
Innovation! Grant applications are being accepted through the end of the
month - all Los AI USD staff members are encouraged to apply.

LAEF has allocated \$150,000 for granting purposes. Thank you to our
generous donors for making this possible!

We look forward to investing in Los AI staff and students to bring new,
